About After Parade Float Viewing

A Showcase of Floats is a unique opportunity for the public to step up close and see for themselves the majestic beauty and splendor of the floral floats. Viewing will be from about 1pm to 3pm and don't forget your camera! After every Rose Parade, the floral masterpieces are parked along Sierra Madre and Washington Boulevards in Pasadena and exhibited for visitors to walk by and see in close detail the design and workmanship that goes into these floats. Visitors are able to walk almost within arm's reach of the floats and appreciate for themselves the creativity and the imagination of the floral displays. This has been a Pasadena tradition for over 100 years. As an added enjoyment, there are demonstrations of the animated floats. These hydraulic floats will entertain you with their funny and clever movements. Of course, parade personnel will be on hand to answer your many questions. Please come and enjoy the beauty and imagination of these floral creations.
