About our Rates and QuoteSheets

Technology in setting rate structures at all our hotels has generally advanced to the point that City Escape Holidays hotel contracts contain more than just a few rates with which to create our packages. Some hotels may actually have a different set of rates for each week of the year. This makes it difficult to create a sensible rate chart for our brochures.

So we have met this challenge by simply discussing with your travel agent your dates of travel, as well as just exactly what you

want included on your package. Then we prepare a QuoteSheet for you to consider that will have guaranteed packaged rates for the entire land-portion of your trip. We can usually have these quotes to your travel agent in 2 business days. By preparing the quotes in this manner, you can be assured that we have utilized the best tools we have available to create the perfect program for you.

About our Hotels

For each of our USA City Packages and Special Events Programs we have selected excellent centrally-located hotels as our “Featured Hotels.” Some are part of well-known hotel chains and some are independent but all are close to the important

sights and attractions that are included on our packages. We put 90% of our bookings into these hotels, but we can also book other select hotels, if need be.
